It is extremely important for our safety and for your safety to be protected. The information you provide, together with the terms herein, pertains to the protection of information processed by us. To this end, please carefully read the Terms of Use and the PDPL Information provided on the SITE. The regulations listed herein are subject to the regulation of commercial life, commercial competition, protection of personal data, intellectual and industrial rights and legal regulations on these.

To the best of your knowledge, we may store and process the information you provide to us during your visit to the SITE and your use of the SITE. Such information may be used to fill out the forms on the site you need, fill out a form regarding the services you can request in the future, to send us a message to contact you, the contact information we have sent you for your orders, your login and exit information on the site consisting of weblogs and other contact information.

In addition, information about your computer, IP address, operating system and browser type will be recorded for security reasons.

If you use the SITE, you will also authorize the use of cookies. By using the site and entering your personal and/or company information, you agree that you or your company's information will be subject to transfer, storage or processing. The information you provide shall be protected in strict confidence in accordance with the applicable legislation. However, please note that the use of the internet is not completely secure. Although we make the best effort to protect your information, we cannot guarantee the security of your information in this context. You are responsible for entering such information. Please note that security measures will be strictly enforced to prevent unauthorized access when we receive your information.

The information we receive from you will be used:

- i. To ensure that the content of our site is presented in the best way possible for you and your computer,

- ii. To provide the best use of the SITE in accordance with our products, services, demands and conditions if you have given your consent,
- iii. To be able to receive the contract and information we are obliged to send you regarding your orders and purchases and to ensure that your orders are recorded in the best way possible,
- iv. To provide the best and most up-to-date SITE applications regarding the interactive features of the SITE in accordance with your usage method and preferences and providing user-friendly SITE updates,
- v. To record of order, payment and delivery details beyond reasonable doubt.

We may share your information with your companies, group companies and affiliates. In addition, we may share your personal information with third parties if we fulfill the following conditions:

- i. In the event of a merger or acquisition that would require the sharing of personal information;
- ii. In the event of our company's being sold with all of our assets;
- iii. In the event of a legal requirement.

These provisions may be shared with other companies or institutions for the purpose of preventing fraud, preventing international money laundering, legislation on sanctions and reducing credit risk.

We would like to remind you that we will keep your information in our system within the scope of the provisions contained herein and the Law No. 6698 on the Protection of Personal Data, and that you use our SITE to record the provisions contained herein and to allow such records to be kept. Within this context, please read the "Information on the PDPL" text on the SITE.
